12th Annual Groundhog Day Event

Finding Efficiencies in Ohio

Making Government work better, faster, cheaper

Newly-elected Ohio Auditor Keith Faber will take office in January 2019, after serving West Central Ohio in the state legislature as a Representative and Senator, including as President of the Ohio Senate. Keith lives in Celina with his wife Andrea and two children, Adam and Brooke. He is a partner at Faber & Associates, a law firm specializing in civil litigation and mediation.

Keith Faber has been a champion of finding ways for state government to be more efficient, effective, and transparent. While Senate President, he worked with state colleges and universities to cut the cost of a degree by nearly 12% for Ohio students. As Auditor, Keith plans to increase the frequency and scope of performance audits on state agencies and institutions of higher education in an effort to save \$1 billion for Bob & Betty Buckeye.
